Augusta Ballet Presents

ABT II MASTER CLASS!

ABT II is a small classical company of fourteen young dancers of outstanding potential. In its fourteenth season, ABT II prepares these dancers to enter American Ballet Theatre and provides opportunities for the emergence of new and established choreographers and composers. Through national performances, lecture-demonstrations and academic residencies, ABT II brings the excitement of close contact with a professional company into communities around the country.

The Company

The dancers (ages 16-20) are handpicked from around the world by the artistic staff of American Ballet Theatre. ABT II dancers will train in the program before joining American Ballet Theatre's main Company or other leading national and international professional companies.
